

### Product Code : IK-TLS3-15W-27K-60D-WH-JT

|                    |                           |
|--------------------|---------------------------|
| Voltage            | 100-277V                  |
| Lumen Output       | 950lm                     |
| Power              | 15W                       |
| Efficacy           | 95lm/w                    |
| CCT                | 2700K                     |
| CRI                | 82                        |
| Beam Angle         | 60°                       |
| Light Distribution | Ultrawide                 |
| LED Type           | COB                       |
| Dimming            | 120-Triac/ELV 277- No Dim |
| Mounting Type      | Track Light Structure     |
| Heads              | Single Head               |
| Body Material      | Aluminum                  |
| Finish             | White                     |
| Length             | 6.57"                     |
| Height             | 1.01"                     |
| Diameter           | 3.48"                     |
| IP Rating          | IP20                      |
| Cover Material     | Polycarbonate             |

#### Beam Spread (Options)

| Spot | 15°  | Medium | 24°  | Wide | 38°   | Ultrawide | 60°   |
|------|------|--------|------|------|-------|-----------|-------|
| ft   | Ø    | ft     | Ø    | ft   | Ø     | ft        | Ø     |
