

# Cavo Flush Mounts

## Product Code : IK-FMS1-5IN-10W-5CCT-SQ

Voltage	120V
Lumen Output	800lm
Power	10W
Efficacy	80lm/w
CCT Selectable(K)	2700-3000-3500-4000-5000K
CRI	80 90(Optional)
Beam Angle	90°
Light Distribution	Ultrawide
Dimming	Triac
Mounting Type	Surface
Body Material	Plastic
Finish	White
Height	0.67"
Diameter	5.39"
IP Rating	Wet
Cover Material	PET
Weight	0.93

Cavo combines versatility and comfort in a flush-mount downlight that enhances both residential and commercial interiors. Its smooth adjustability allows easy repositioning to highlight spaces or remove dark spots. Soft, uniform light from its microprism diffuser adds visual comfort while maintaining modern aesthetics. With multiple sizes and dimming support, this fixture delivers adaptability, elegance, and consistency, making it a practical, long-lasting lighting solution for modern spaces.
