

Correlle Wall Sconces

Product Code : IK-WLS3-16IN-15W-5CCT-OB

Voltage	100-277V
Lumen Output	500lm
Power	15W
Efficacy	33lm/w
CCT Selectable(K)	2700-3000-3500-4000-5000K
CRI	80
Dimming	Triac Dimmable
Body Material	Aluminium
Finish	Oil Brushed Brown
Height	15.984"
IP Rating	IP65
Cover Material	Polycarbonate
Width (W)	4.882"

Correlle merges modern style with durable construction to deliver dependable outdoor lighting. Its double-shade diffuser softens illumination, creating comfortable, glare-free environments for corridors, entryways, and facades. Integrated LED technology provides energy efficiency and low maintenance, ensuring consistent performance. With refined design and versatile application, Correlle balances architectural appeal with reliability, making it a smart choice for exterior projects.
