

Path360 Bollard Lights

Product Code : IK-BLS2-V2-14W-40K-DY-BL

Voltage	120 - 277V
Lumen Output	1820lm
Power	14W
Efficacy	130lm/w
CCT	4000K
CRI	70 (80 optional)
Light Distribution	Type V
LED Type	3030
Dimming	Dimmable
Heads	Single Head
Body Material	Aluminum alloy
Finish	Black
Length	42"
Diameter	8"
IP Rating	IP66
Cover Material	Polycarbonate optical Lens
Weight	12.35

Linea brings modern architectural style to outdoor spaces with 360° surround lighting. Its slim form and top-mounted design create even, glare-free coverage for pathways, gardens, and entrances. With durable construction, it withstands challenging conditions while maintaining a sleek appearance. Designed for performance and reliability, it creates welcoming, safe environments while offering a stylish solution that complements both contemporary and classic outdoor landscapes.
