

Terra Wall Sconces

Product Code : IK-WLS1-3.54IN-DW-12W-5CCT-WH-SQ

Voltage	120-277V
Lumen Output	900lm
Power	12W
Efficacy	75lm/w
CCT Selectable(K)	2700-3000-3500-4000-5000K
CRI	80
Beam Angle	60°
Light Distribution	Ultrawide
Dimming	Triac Dimmable
Heads	Single Head
Body Material	Aluminium+Steel
Finish	White
Height	7.874"
IP Rating	IP65
Cover Material	Template Glass
Weight	26.45
Width (W)	3.543"

Beam Spread

Terra combines modern aesthetics with reliable outdoor performance in a slim square profile. Ideal for gardens, patios, and corridors, it enhances spaces with bright, efficient light. Its anti-UV matte coating resists weathering, ensuring a lasting finish. Built from durable die-cast aluminum, it provides dependable, long-term lighting that balances functionality and architectural appeal, creating welcoming, safe, and stylish outdoor environments for everyday use.
